- Creativity
- Leadership
- Teamwork
- Adaptability
- Tech-savvy

I am an Information Technology student, majoring in Web Development at Holy Angel University, seeking an internship that will allow me to put my web development skills to use and grow them while contributing to a creative team. My niches are design and programming, and I have a strong foundation in HTML, CSS, JavaScript, Photoshop, and Figma. I am driven to work with professionals in the field to further improve my abilities and gain a practical experience in Web Development.
